The processing of your personal data within the motorbike club

Welcome to our association!

Your data, hosted in France, are processed in accordance with the european laws.
Here is what you need to know, in the spirit of full transparency:

The data are hosted in France.

Why do we collect this data ? We use it exclusively to manage your membership: tracking membership fees, sales and communications following the purchase of items from the shop, sending our quarterly newsletter and updates, as well as invitations to our events.

Who has access to it? Only authorised members of the association's executive committee. We will never sell or share your data with third parties or commercial partners.

Your rights : You retain full control. You have the right to access, rectify, object to and erase your data.

How long do we keep it ? Your data is retained for the duration of your membership. If you decide to leave, it will be permanently deleted or anonymised at your request.

To exercise your rights or ask a question, simply write to us at the following address:
